

New York Center For Kidney Transplantation

Sponsorships

Thank you for your interest in a NYKidney sponsorship. A NYKidney sponsorship is a great way to showcase your company and support the many educational programs we offer to transplant and dialysis professionals as well as our many patient facing workshops throughout New York State. The patient workshops include our Living it Up/ Donating-NY Style workshop held 6 times throughout the year, in addition to Kidney Talk Tuesday on the first Tuesday of each month. Our ECHO University sessions for the transplant/dialysis professional are held every month for a total of 11 sessions. Your sponsorship will also allow NYKidney to continue to provide valuable education for the ESRD professionals as well as for the ESRD patient, their families, and caregivers.
