Playground Update

We're half way there! We greatly appreciate all of your support in helping us reach our goal of raising \$80,000 for our new playground. Many of you have participated by providing money for our money jar, allowed your child to bring in loose coins for our coin drive, or by making a donation. Our coin drive raised just over \$500 alone!!!!

And now available for purchase, an engraved brick paver that will be placed on the playground during the installation of the new equipment. Brick pavers provide you with a unique way to leave your name on our Preschool for many years to come. Pavers are available in two different sizes, 8x8 (\$250) and 12x12 (\$425). Visit the website of the church, www.fpcnaples.org/give, to purchase your paver today! All proceeds will benefit our new playground fundraising campaign.

Illness Policy

Please remember that our current illness policy requires that ill children be kept out of the school until they are symptom free for 72 hours without the aid of medication.

Bringing your child to school when he is she is ill is inconsiderate to your child's teacher/s, the other students, as well as the families of the other students.

We understand that illness can cause disruption in everyone's lives and that often an individual is most contagious two days prior to symptoms appearing, but in order to limit the spread of germs, we must take some time away from school to treat our illnesses.

VPK Graduation

We invite the families of all of our VPK/4's-5's students to join us on Thursday, May 27, for a graduation celebration. Our students will perform a program in the Sanctuary at 6:00 pm.
