Preschool Parent Committee Meeting

First Presbyterian Preschool provides an exciting way for you to get involved in your child's school. We have a Preschool Committee made up of parents, Preschool staff and other interested parties that meets once every other month. The Preschool Committee is responsible for supporting the development of the Preschool. The Committee plans and coordinates fundraisers, festivals and Staff Appreciation Week, as well as other fun activities.

The Parent Committee is a great way to be involved and get to know other preschool families! Please join our team on **Sept. 1, at 12:00** in room 204 for our first meeting! Please email me, ashleyh@fpcnaples, if you are interested in attending.

Tuition Payments

Tuition payments are due by the 8th day of each month (September-May).

We will post signs in car line as well as outside the main entrance door. It is not our practice to provide monthly invoices.

Accounts not paid by the end of the 8th day of the month will be assessed a late payment fee of \$20 that will be credited to our Preschool Angel Fund.

Hirsch Studios

Hirsch Studios has been photographing our students for several years and they are amazing. Each student can have their picture taken by Bruce and Linda, and siblings can also be pictured together. Bruce and Linda will also capture classroom photos (only offered in the Fall).

Photo packages will be available for purchase. Order forms and payment envelopes will be provided for you. Please keep in mind that only students that have a returned portrait envelope will have their individual picture taken. Everyone, whether you purchase pictures or not, will be captured in the classroom photo.

Hirsch Studios will be present on September 29 and 30.
