Membership Matters

We are growing as we have one new member and one membership that was reinstated.

Our new member is Walt Lysinger who has just moved to this area. His modelling interest is H/O scale and he would like to build a home layout for himself and his grandkids to enjoy.

Walt wants to become involved learn from the vast knowledge our club members have in model railroading.

Walt works in the medical field and commutes to work every other week in California.

Nick Prazniak has rejoined the club. He has an interest in all scales and has been very active in set-ups, run time, and tear down at our two recent shows.

Please welcome Walt and Nick back to the WCMRRC.

What's New

We have just completed two shows, the Lane County Fair and the Benton County Fair. We had great turnout for the shows and were able to handle the back to back shows.

As we look ahead, we are in the planning stages for the Drain Show. Gary Decker said he would help with the Drain Show which will be in the first part of December. Stay tuned for dates and more information about this important show.

Mark your calendars for September 14th, as we will have annual picnic at Dale Knox's home. We will have fliers at the next meeting with address and directions.

We need some members to step forward and volunteer to become show chairs. This includes the Lane County Fair, Benton County Fair, and Oregon Logging Conference and other events as they come up. Please consider handling one of these events. We have a lot of knowledge and help from previous chairs and we will have a set of guidelines as to what needs to be done and when it needs to be done, and contact information.

Now is a good time to work on your engines and rolling stock before the weather turns cold.

Thanks for your participation in making our club great.

See you on August 10, for our next meeting at the Springfield Depot.

Model of the Month Update

BIG Thanks

A big thanks to all that helped me with the G scale. I'm not going lie, my butt is dragging but if those that helped hadn't been there It would not have worked. Alan, Phillip, Brent, Peter, Mark, Wesley, Blayze and Brenda you all rock! When I stopped by the local market out here the gal working there told me it was a cool set up. If we keep making the people happy the hobby will continue on.

Dale

And No, I didn't forget Warren Sawyers, I called him and thanked him.
