

Symphony for the Waters

Anders Jallén

*Five tone poems for Symphony Orchestra
and
Oceans Life Music Soundscape / Musique Concrète*

1st Movement, Largo quasi Allegretto

"Oceans Dance", 7 minutes

2nd Movement, Adagio

"Wave Reflections", 14 minutes

3rd Movement, Zarabanda

"Symphonic Whale Song", 12 minutes

4th Movement, Andante

"Frog Meditation", 7 1/2 minutes

attacca

5th Movement, Caccia

"Thus Spake Hippopotamus", 9 1/2 minutes

*Each movement is an independent
Symphonic Poem. However, they
work the best when played together,
as the symphonic continuity which I
intend is otherwise not fully explored.*

*The 4th and 5th movements are
intended to be played attacca.
Timing is then ~16 1/2 minutes.*

*If the 4th mvt is played on its
own it has a different ending.*

Timing ~50 minutes
