

FUNDRAISING FOR THE BLOSSOM DEVELOPMENT TRUST

Welcome to Your Fundraising Journey In Support of The Blossom Development Trust

Thank you for choosing to make a difference.

By organising your own fundraiser, you're helping children with additional needs access life-changing support — including Speech and Language Therapy, Occupational Therapy, Behavioural programmes, nutritional advice, hearing aids, and more. Your kindness plants the seeds of growth, and we're so grateful to have you with us.

What's Inside This Pack:

- Fundraiser Registration Form To tell us what you're planning and how we can support you
- Sponsorship Form For tracking donations if you're collecting offline

We're Here for You! Have questions? Need support or a little inspiration?

Reach out anytime — we love hearing from our fundraisers!
