

FINANCIAL CONSULTING & ADVISORY

Empowerment through Thought Leadership...!!!

ABOUT US

We are a highly specialized Financial Strategy Consulting firm that helps clients improve their businesses through the application of innovation, rigorous analysis, world-class technology and top-tier finance domain expertise. We specialize in Capital Raising Solutions in Equity & Debt, Foreign Direct Investment and M&A.

Culture of the mind must be subservient to the heart.

- M.K. Gandhi

Our Culture and Values

- Our Culture is the character and personality of our organization.
- That's what makes our business unique and is the sum of our values, traditions, beliefs, interactions, behaviors and attitudes.
- Honesty, integrity, commitment to ethical work practices, positive relationships within and outside the organization, knowledge sharing and dedication to building sustainable businesses are some of the values that describe who we are as a team.

We are what we repeatedly Do..
Excellence, therefore is not an Act but a Habit!!!
- Aristotle

What We Do

- We help companies develop unique financing solutions for their projects in all industry verticals.
- We assist companies in successfully navigating the increasing complexities in the financial markets where many forms of credit have become scarce. We advise our clients on strategic and financial matters including mergers and acquisitions, restructurings, capital structuring and raising strategic and structured finance.
- We bring decades of experience in navigating international and domestic financial markets, developing banking relationships, and cultivating client relationships.

SERVICES

- 90 Degrees offers **M&A Advisory** and **Capital Raise** solutions to private companies. Our goal is to match clients with the most effective capital providers through the breadth of our product and market knowledge creating tailored solutions for individual needs.
