

PLAN IT PHASE

# Imagine Kalamazoo 2035

## Help shape the future of Kalamazoo!

Join us at an upcoming meeting or share your input online! Building on the input received, the "Plan It" phase will focus on confirming the strategic vision goals and establishing the community outcomes from these goals.

These conversations will directly shape the update of the Strategic Vision, which will be released for public review and consideration later this spring.

## Coming Up:

Join us at one of the following meetings to discuss the Strategic Vision Goals & Outcomes.

The presentation and activities will be the same at each meeting – please pick the one that works best for you!
