

Product Bulletin

SOLVIT

Tar & Asphalt Remover

Solvit is a d-Limonene based degreaser and tar & asphalt remover whose main ingredient comes from orange peel oil. This biodegradable solvent has a citrus aroma and is a safe alternative to toxic or hazardous petroleum-derived chemicals. Excellent for all cleaning tasks, Solvit emulsifies and quickly removes grease and grime dramatically cutting down cleaning time.

Directions for Use

1. Spray full strength on surface to be cleaned.
2. Let stand on surface until spot or stain appears loosened, then rinse water to remove residue.

Product Features

Natural Solvent
Biodegradable
Pleasant Citrus Odor
Quickly Emulsifies Tough Soils

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Orange Liquid
Odor	Citrus
Alkalinity (as NaOH)	High
pH	12.0 - 13.0
Foaming	High
Flash Point	NA
Bulk Density	9 lbs per gallon
Solubility in Water	100%
Rinsing	Complete
Emulsification	Complete
Detergency	Excellent
Hard Water Performance	Excellent

Package Size

4 x 1 Gallon Case
5 Gallon Pail
12 Quart Case

Product Code

G8-4CS
G8-5G
G8-QCS
