**Notes:**

1. The writing is legible, but it's unclear whether it refers to the second name, name of the father, or place.
2. The *baquetiers* were manufacturers of tubs, vats, troughs, baths and other containers.
3. In folio 71, the name is written both Strack and Starck.
4. The folio rather indicates Kirchdoerfer.
5. This profession is written in dialect. *Wirth* (*Wirt* in German) means *innkeeper*.
6. Literally: Vienna's baker.
7. Unclear in the table but clear in the folio.
