The Buyer understands that the deposit is REFUNDABLE in accordance with California law. However, we do have a couple safeguards in place and may relist your puppy as available, to set up a back up home, if these two terms aren't met.

- 1) Communication is key in order to keep your puppy reserved. If we contact you, and we don't receive a response over multiple contact attempts, we may consider your puppy as available again.
- 2) Your puppy must be picked up by 8 weeks old, or full payment must be made by 8 weeks old if you're picking up any day after. Again, communication is key, and we're happy to work with you.

Please notify us in the event you change your mind for any reason, so we have the opportunity to find a backup home in the event that one is needed. Our goal is to insure our puppies have a loving home waiting for them as soon as they're ready. Your deposit will be refunded thirty (30) days after receiving a refund request from you, or when another deposit has been placed on your puppy, whichever is soonest.

Once puppy is in your possession, all sales are final and no refunds will be offered unless circumstances fall under terms of our health guarantee.

As the breeder, I agree to provide a healthy, AKC registrable, purebred Pembroke Welsh Corgi puppy, along with a 3-year health guarantee against congenital diseases. Puppy is guaranteed not to test as "AFFECTED BY" DM, vWd1 or EIC. My puppies go home current on vaccines and dewormings with a written health record. Puppies will be microchipped and vet checked before going home. Sample of their food, blanket and toy with mom's scent, AKC application, and 3 year Health Guarantee will be provided at the time puppy is picked up (health guarantee is available on my website to look over before pickup). Puppies are placed under limited AKC registration unless otherwise requested. (\*full registration is only needed if you're planning on breeding, pet homes who will be spaying/neutering will not require full AKC for any reason) The undersigned acknowledge that they have read and understand this agreement. This agreement governs the reservation of the puppy and complies with California Law.
