Payroll Deduction: 2017-2018 I hereby authorize the system to deduct the full amount of my Association dues in the number of installments set by the Central Office (currently 12). The annual dues include a refundable contribution of \$16 for certified / \$13 for ESP to the GAE and CCAIE Political Action Committees (PAC) and \$2 to the Georgia Foundation for the Improvement of Education (GFIE). PAC contributions help elect friends of public education and are not deductible as charitable contributions for state or federal income tax purposes. GFIE contributions help fund the Foundation for the Improvement of Education and are tax deductible as charitable contributions for state and federal tax income purposes. Both PAC and GFIE contributions are voluntary and not a condition of membership. Contact CCAIE at 770-420-9198 for refund information. The non-refundable portion of GAE dues allocated to lobbying is four percent (4%). The remaining dues (or part) may be deductible as a miscellaneous itemized deduction. I hereby apply for continuous membership in CCAIE and its affiliates, the Georgia Association of Educators (GAE), and the National Education Association (NEA). I understand I have signed a binding contract to pay the total dues for the current membership year and each year hereafter. I may revoke this authorization only by written notification to CCAIE/GAE or employer. Exit forms may be obtained by emailing CCAIE's membership processor at ccaemember@bellsouth.net. Your elected NEA membership delegates will set final dues amounts in July. The current monthly dues are \$49.87 for full time certified, \$30.79 for 1/2 time certified, and \$31.25 for education support personnel (ESP), School Bus Drivers/Monitors \$21.33 beginning in August 2017.
