

Domestic & Small Business Electrical Installations & Alterations

**HARVEY-JAMES
ELECTRICAL**

At HJ Electrical, we know inviting someone into your home or business to carry out electrical work is a big decision.

That's why we put **safety, reliability, and clear communication** first. Whether it's adding an extra socket in the kitchen, fixing a loose ceiling pendant, installing new garden lights for summer evenings, or even adding a hot tub to relax in — **we've got you covered.**

From simple alterations to larger upgrades, we provide trusted solutions that keep your property running smoothly and safely.

With clear upfront quotes — so you know exactly what to expect, with no hidden costs.

What we cover:

- **Socket & switch alterations:** relocating, adding, or upgrading points
- **Lighting installations & repairs:** ceiling pendants, downlights, office/shop lighting
- **Power supplies & safe connections for fixed appliances:** showers, cookers, ovens, hot tubs, and water heaters
- **Extractor fans, towel rails & electric heaters/radiators:** efficient and safe installations to improve comfort
- **Consumer unit (fuse board) replacements:** safe, modern upgrades with full certification

When you contact us, we'll arrange a quick visit (or photos/videos if

easier) to understand your needs. We'll then provide a clear, no-obligation quote before starting any work.

*All works are carried out in line with current wiring regulations (BS 7671) and our company [Terms & Conditions](#).

- **Outdoor lighting & power:** garden lights, decorative features, and external sockets

Certification & Compliance

All work is completed to BS 7671 wiring regulations, with the correct certification provided:

✓ **Minor Works Certificate (MWC):** for small alterations to existing circuits.

✓ **Electrical Installation Certificate (EIC):** for new circuits or major alterations.

Every job comes with the correct certification — whether it's a small alteration or a brand-new circuit, you'll have peace of mind that your installation is fully documented and compliant. We'll always let you know which certificate applies before starting the job.

Why Choose HJ Electrical?

✓ Serving both domestic customers & small businesses with the same care

✓ Friendly, clear communication & honest pricing

✓ **Fully insured so you can relax knowing you're covered**

✓ **Certification and compliance guaranteed, every time**

No job is too small — from quick fixes to full upgrades, we're here to help. When you contact us, we'll arrange a quick visit (or photos/videos if easier) to understand your needs and provide a clear, no-obligation quote before starting any work.

Get in touch today for quick pricing or a friendly chat about your project — we're here when you need us.
