2yrs+ First Steps in Motion

2YRS+ | FIRST STEPS IN MOTION

This fun **combo class** is designed especially for our youngest dancers, ages 2.5 to 4, with **little to no preschool** experience. Through a playful blend of ballet, tap, and introductory acro, your petite performer will explore age-appropriate dance steps, build coordination, and begin to learn proper dance terminology in a 45-minute class. **All in a creative, lively, and nurturing environment.**

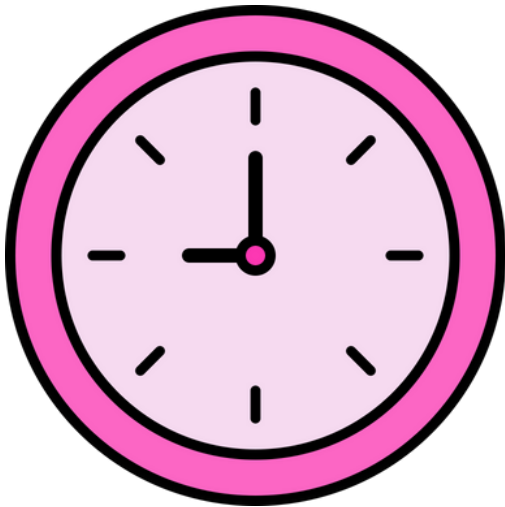

Our caring instructors guide students through imaginative movement games, music, and foundational technique, helping **little dancers grow in confidence, focus, and joy.** Dancers in this class will have the exciting opportunity to perform in both our Holiday Show and Spring Recital. It's a **special** way to celebrate their progress on stage!
