On receipt of your enquiry we will check availability of a boat and let you know we have reserved that for you. Our Skippers and crew are volunteers and we will need to check on their availability. Once we have done this we will confirm the booking back to you with all the details of your trip. In the unlikely event of us not being able to find the correctly qualified volunteers 4 weeks before your trip date, we will notify you that we will, regrettably, not be able to accept your booking
The full amount of the booking Fee is payable when the at the time of final confirmation from us.
