PRESIDENTS MESSAGE

It is with great honor that I welcome you to the 66th annual conference of the County Fiscal Officers Association of Nevada in Storey County.

This past year has been tough on all of us as we had to strive to keep going through these hard economic times. This has touched on all of our lives either in business or personal. We have all taken some concessions. In times like these we all need to work together, share ideas and help each other in order to survive the times. This conference is a good starting point.

I would like to express my sincere thanks and appreciation to Vanessa DuFresne, Jen Chapman, Jana Seddon, Pat Whitten, Hugh Gallagher and all the wonderful people from Storey County and especially Ruth Lee who have helped make this conference a great success. They worked so diligently to assist in getting this conference put together. Thank you to the other officers, Christine Hoferer, Laura Fitzpatrick, Terry Lundergreen, and Mike Rebaletti. It has been a privilege to work with them. A special thanks to all of our sponsors for their continued support and for the information they provided us to help our offices run more efficiently. Please take time to visit with each of them and express your appreciation. I also would like to thank our guest speakers.

I hope each of you can take something from this conference that will be of benefit to you in both your personal and professional lives.

I want to thank you for the opportunity to serve as your President for the last year. It has been an honor, and an experience I will treasure always.

Thank you, and enjoy the conference.
