The Association shall develop and maintain public trust, positive leadership and is committed to providing up-to-date, accurate training to its members. PRESIDENT'S MESSAGE
August 2014

Welcome to beautiful Humboldt County and the 69th annual County Fiscal Officers Association Conference!

Thank you for giving me the privilege of being your president this past year. While I have greatly enjoyed this honor, it has not turned out quite how I expected. As most of you are probably aware by now, I have recently been diagnosed with breast cancer. I have started treatment and I am lucky to have my wonderful fiancé—who is battling cancer as well—by my side. I know in my heart everything will be just fine. The past few months have reinforced what I have always known to be true: always remember to cherish those around you and enjoy each and every day! (Yes, even during elections.)

C.F.O.A. has been such a big part of my life since the time I first started working in the Clerk/Treasurer's office in 1987. There have been many wonderful memories made over the years—some have been recorded by photographs, which I will gladly distribute for a small fee. For all of you C.F.O.A. veterans and rookies, this conference is not only an opportunity to visit with your statewide colleagues, but also to make connections with vendors and to share your knowledge and experiences with each other to empower and strengthen our important work as we go forward.

I would like to thank our host county officials MaryAnn Hammond, Gina Rackley, and Tami Rae Spero, and their amazing staff for all of their hard work to ensure that this conference will be one for the record books. I would also like to thank my executive board for their tremendous support and tireless efforts over the past few months. A special thank you to our sponsors/vendors for making this conference possible—as always, we couldn't do this without your support!

I leave this conference in the very capable hands of our 1st Vice President Idonna Trevino, for whom I am eternally grateful. I am so very disappointed that I will not be attending the upcoming festivities, but I look forward to seeing the fun that is sure to be had by all. I send you all of my love and hugs, and I look forward to seeing you all next year!

Thank you in advance for all of the photographs that I expect to receive.

Sean Peabody Biography

He is often mistaken for the bouncer, security guard or bachelorette party stripper but rarely a comedian...until he takes the stage. With his passion for comedy and a personality that you can't help but be drawn to, Sean P takes any stage with a mic and makes the audience his own. Sean is immediately likable and will draw you in with his ability to tell stories that make you feel like you were there. Don't let his relaxed style fool you, he will come out blazing and have you laughing until your whole body hurts.

Born in San Diego and raised in the Bay Area of California this comedian has been exploding on the comedy scene for the last 14 years. With a Polynesian background he has adapted to all styles and types of comedy. Sean is a veteran of the United States Marine Corps and actually got his comedy start while serving his country. As an instructor on the shooting range his philosophy was "better to have them happy while they were walking around with loaded weapons...you want people in the right state of mind." With that his comedy career was born.

From performing clean comedy shows to working blue, Sean can adapt to it all. His comedy is high energy from beginning to end no matter what style of comedy. Crowd work is his specialty and any audience member having seen Sean will feel like they've been part of the show. Sean is a performer for all ages and everyone to enjoy.

"Comedy to me is not just an Art but a strong form of expression"....."We're not just entertainers, we are folks that help others laugh and smile when they thought they didnt want to"....."We take our silliness seriously" - Sean Peabody

Sean has performed all over the world including for the troops overseas. He has enjoyed working with comedy greats before him such as Robin Williams, John Witherspoon, Tommy Davidson, Bobcat Goldthwait, Jimmy Walker and many, many more.

He has a great passion for comedy and continues to help new and upcoming comedians through his workshops at Liquid Laughs in Boise, ID. Keep an eye out for these classes that are about to go multi-state.....
