PARENT'S CODE OF CONDUCT

As a parent, you play a special role in the development of your daughter or son, and of his/her teammates. Your encouragement and good example will do more to ensure good sportsmanship and self-discipline than any other influence. The other team is the opponent, not the enemy, and should be treated with respect. While winning is important, playing well and fairly is the essence of the game.

1. SUPPORT YOUR CHILD

Support your child by giving encouragement and showing interest in his/her team. Help your child work toward skill improvement and good sportsmanship in every game. Teach your child that hard work and an honest effort are often more important than victory.

2. ALWAYS BE POSITIVE

Children learn more by example than by criticism. Work to be a positive role model and reinforce positive behavior in others. Applaud good plays by others on your child's team as well as good plays by the opposing team. Do not criticize any child's performance from the sidelines. Accept the results of each game. Teach your child to be gracious in victory and to turn defeat into victory by learning and working toward improvement.

3. DON'T BE A SIDELINE COACH OR REFEREE

Refrain from coaching or refereeing from the sidelines. Parents who shout or scream from the sidelines often give inappropriate advice at the wrong time. The coach should be the only sideline voice. Remain well back from the sidelines and within the spectator area. You and your child will both enjoy the game more if you put some emotional distance between yourself and the field or play. Officials are symbols of fair play, integrity, and sportsmanship - Do not openly question their judgment or honesty.

4. DEMONSTRATE A POSITIVE ATTITUDE TOWARD YOUR OPPONENTS AND THEIR FAMILIES

Opponents are not enemies. Take care to show good hospitality at home and to represent Atlante San Diego FC in a positive way when visiting other clubs or leagues. Never allow yourself to be drawn into a verbal disagreement with opposing parents or coaches. No one has ever regretted letting "cooler heads prevail."

5. REMEMBER THAT YOUR CHILD WANTS TO HAVE FUN

Your child is the one playing soccer, not you. Children must establish their own goals - to play the game for themselves. Take care not to impose unreasonable demands on your child. Let your children experience the fun of playing as well as the challenge of excelling.

Atlante San Diego FC sponsors youth soccer activity with the goal of providing our children an opportunity to develop superior life skills through team play, sportsmanship, top competition, and hard work. Our mission is to provide our communities youth with the opportunity to play soccer at the highest level commensurate with their individual ability, potential, and interest. An emphasis on fair play and respect for all participants is a primary element of our club's mission. To better achieve that mission, we provide the following Codes of Conduct for all Atlante San Diego FC parents. These Codes of Conduct are a covenant between players, parents, and coaches to abide by the rules and regulations of the game, as well to maintain a cooperative attitude and uphold the ideals of fair play and sportsmanship. These Codes of Conduct express our core values and goals and are essential they be honored and followed.
