Church History

Christ the King Epiphany Church began as two separate parishes with very similar backgrounds. Christ the King Lutheran Church and the Episcopal Church of the Epiphany both started as mission churches in Wilbraham during the 1950's. Each congregation flourished and had deep commitments to outreach ministries, both locally and in the wider world. Now let's fast forward 50-plus years.

In 2020, Christ the King and the Church of the Epiphany federated, becoming a blended congregation of both the Evangelical Lutheran Church in America (New England Synod) and The Episcopal Church (Episcopal Diocese of Western Massachusetts).

Our Musical Preferences and Sources

Our parishioners enjoy a wide variety of styles of music from various sources. Most commonly used are musical selections from the Evangelical Lutheran Worship hymnal (*ELW*) and The Hymnal 1982 (*Episcopal*)

Visit our **YouTube** archives to learn more about the blended musical elements customary within our worship services.
