To Whom It May Concern,

It is with great enthusiasm that I can recommend Richard Benkert & Associates (RBA), and specifically Richard Benkert, for any organization seeking top-tier securities professionals recruiting services.

Our experience working with Richard was exceptional. He demonstrated urgency and efficiency in identifying and vetting high-quality candidates tailored to our specific needs. Richard not only listened carefully to our hiring requirements but consistently delivered candidates who were perfectly qualified for the roles we sought to fill.

What truly set Richard apart was his ability to exceed expectations. He presented more candidates than we anticipated, each thoroughly vetted and ready to contribute at a high level. His process was seamless and professional, providing us with the confidence that we were making well-informed hiring decisions. Richard ensured that we had thorough information about each candidate, not just a resume, that detailed their experience level, successes and history.

Working with Richard was a pleasure, and we would strongly recommend him to anyone in need of a skilled, thorough, and effective recruiter for securities professionals. His commitment to delivering excellence makes him an invaluable partner in the hiring process. We look forward to working with him again as we continue growing the securities portion of our business.

Sincerely,

Jon Silberman (Feb 6, 2025 12:53 CST)
