

WAYNE LAKES SANITARY SEWER SYSTEM UPDATE – OCTOBER 2023

ESTIMATED PROJECT FUNDING

- Grant = Money the village does not have to pay back
- Loan = Money that must be paid back by the village (Like a Mortgage Loan)
- Great News – The village has secured **Additional Grant Funding!!!**
- Current overall projects costs are estimated to be \$13,600,000
- \$10,250,000 in Grant Funding has been secured
- 0% loan funding will be used to finance the balance of the project

SANITARY SEWER BILL SUMMARY

- Sewer Bill - 2022 \$15 / Month \$45 / quarter
- Current Bill – 2023 & Part 2024 \$35 / Month \$105 / quarter
- Current Projected Final Bill – Mid 2024 \$65 / Month \$195 / quarter
- The Final Projected bill is based on the projected costs to cover final construction loan payments, treatment by New Madison, operation and maintenance and future equipment replacement.
- The Previous Projected Final Bill was up to \$80 per Month

CURRENT PROJECT SCHEDULE

- Sewer Line Installation Along the Roads Complete by end of 2023
- Due to some requirements of the additional grant funding secured, the schedule for tank installation may be delayed. A future update will be provided on an updated schedule. Right now, tank installations are projected to begin in the first or second quarter of 2024.

COORDINATION WITH PROPERTY OWNERS

- Degen Excavating will be coordinating tank installation with property owners.
- Property owner will receive materials on recommended guidelines for the use of the tank and pump at your property
- Future open houses will be held to help educate property owners on what to do to ensure a long life span for the tank and pump at your property
