

WAYNE LAKES SANITARY SEWER SYSTEM – PUBLIC MEETING

PROJECT: Wayne Lakes Sanitary Sewer System, Project 216855.01
OWNER: Village of Wayne Lakes, OH
DATE: Tuesday, December 17, 2019
TIME: 7:00 PM
LOCATION: Village of Wayne Lakes Community Building

INTRODUCTIONS & GENERAL PROJECT REVIEW

WHAT HAS BEEN DONE IN 2019

- Numerous meetings with funding agencies
- Numerous meetings with Darke County and nearby villages & townships
- Developing an accurate village household list

WHEN WILL SANITARY SEWER BILLING START

- Current plan is to start a quarterly sewer bill in the summer of 2020.
- This will be billed and collected by Darke County
- Property Owners will be billed
- Purpose of the billing is to build a sanitary sewer fund and helps secure project funding
- Billing amount not yet decided
- This bill will be adjusted up to become the O&M bill after the project is complete

GOALS FOR 2020

- Continue work on project funding package
- Finalize Preliminary Engineering Report
- Finalize Environmental Review
- Continue to move the project forward

PROJECT SCHEDULE

- The schedule is highly dependent on the Funding Plan
- We are likely 3 years away from construction

PROJECT ESTIMATE

- It is too early for an accurate project estimate
- The final assessments and quarterly billing will depend highly on the funding package received
