## From the desk of Wayne Lakes Acting Mayor, President of Council

**Homebound.** This is a time in our village that most of us have never experienced. My thoughts and prayers go out to the families that have loved ones without work and also those waiting patiently for supplemental income. Our village has always been a small community where it has been easy to get to know your neighbor. I would encourage all of us to do our best to reach out to those close by and simply ask, "How are you doing?" "Is everything okay?" Stay tuned for future news reports on schedules regarding the lifting of restrictions.

Volunteers Adam Wicker, Troy Stewart and George Mitterman are currently working weekends to treat our lakes for 2020. If you see these gentlemen out and around your area, please give them a BIG THANK YOU!! A great deal of time, effort, and planning go into this work. Keeping our lakes beautiful and in good shape means a lot to our village and all of our visitors that come for the fishing.

Welcome to Shane's Gatehouse. Our village has been waiting for a good business owner to come and provide us items we need without having to leave our village. Shane has asked that if anyone has any special requests on items being stocked in his store, let him know. He will make sure to take good care of you. Fishing passes and live bait are also ready on a daily basis for residents and visitors to our village.

Brice with Access Engineering and the Wayne Lakes Sewer committee continue their work for the upcoming project. Systems are being reviewed and discussed. The mailing list for residents is getting near completion. More than half the residents have done a good job getting in contact with us to update their information. If you haven't had the time, please call the village office at 937-459-4111 and leave your information on the voice mail. This is updated weekly. We are needing to complete this soon.

Village council approved hiring Josh Miller, our new Assistant Fiscal Officer. I worked with Josh for several years as his manager, while he participated in our company's management program. He has a Bachelor of Science in Accounting from Indiana Tech. Josh was also a baseball coach for his local high school Delphos Jefferson High School. When Covid 19 restrictions are lifted, please feel welcome to come introduce yourself at our office.

Pop machines located at the village office will be removed soon. Shane's Gatehouse will be providing new machines at his location.

Residents needing help with goose nests, please contact the village office for support. Please provide your name and address. We will get back to you right away!

RITA taxes for 2019 have been extended to July 15, 2020 due to Covid 19.

### **Volunteers are needed for 2020 projects:**

The *Hooked on Fishing-Not on Drugs* Program in June and July needs your help. To volunteer contact John Winger **937-678-7864** or the Village office.

Next council meeting Monday, May 11, 7:00 pm in the council meeting room.

In closing, for Covid-19 updates and prevention tips please refer to the website <https://www.cdc.gov/coronavirus>.

Respectfully Submitted, Linda Clark Acting Mayor  
President of Council [mayorwaynelakes@gmail.com](mailto:mayorwaynelakes@gmail.com)
