**NO SWIMMING IN, or  
ICE SKATING  
ON ANY OF THE LAKES**

**Spring cleaning is upon us. Many residents are cleaning up their yards after the storms with high winds that took down many branches and trees in our area. For residents that want the village to assist with their chipping of branches, please put piles near the road or driveway. The village chipper is not meant to be the only resource a resident has for making beautification improvements on their property. The village will make a reasonable effort to help with these piles. Chipping will begin in the month of May. This ensures that no more surprise snow comes our way, while using the truck. For residents with major jobs they want completed, please contact your local landscaper or rental company for the equipment that you need. Thanks for your support. As a reminder, do not use Lake Chippewa for dumping.**

**Brice with Access Engineering** and the Wayne Lakes Sewer committee continue to work on the upcoming project. Open houses are currently scheduled for May at our village office. Please attend one session to discuss your tank placement: Tuesday, May 17<sup>th</sup> 10 a.m. to 1 p.m., Thursday, May 19, 4 p.m. to 7 p.m. and Saturday, May 21, 9 a.m. to 12 noon. Multiple stations will be set up to handle several attendees at once.

**Darke County** will be coming to Wayne Lakes in late spring to trim our village trees and bushes on village property near the roads. Please use caution while driving during this time. Road repair will also be reviewed at that time. Pot holes will be repaired when weather is permitting.

**Daily Fishing Passes** can be easily purchased at the village office, or on our Village of Wayne Lakes.com website and our The Village of Wayne Lakes facebook page. Please share with your friends!! The village has collected \$217 for the year 2022. Volunteers will be in our village office daily from 9:00 am to 11am and Wednesday afternoons from 4 to 6 pm starting April 1.

**Trees removed** from the lake. Currently trees are being planned for removal at Mohawk. Please let me know if you would like to be added to this list.

**Goose egg** addling permit has been printed in our office. Please contact me if you would like a copy of the permit to addle your nest of eggs. If you want help, please call us with the location of your nest.

**Council seat available. This will be a paid spot after the next election cycle. Please contact your nearest council member if you are interested in discussing this opportunity.**

Next council meeting Monday, May 9, 2022, 7:00pm in the council meeting room.

Respectfully Submitted,

Linda Clark Mayor, [mayorwaynelakes@gmail.com](mailto:mayorwaynelakes@gmail.com)
