EMERGENCY 9 1 1

***NO SWIMMING IN
ANY OF THE LAKES***

NO FEEDING OF WATERFOWL

From the Desk of the Acting Mayor

I don't know about you, but I really have to stop and regroup. Growing up here in Darke County, there are activities my physical body says that it's time to do!! I'm thinking about that Rotary Lemonade Shake up, Bowman's tenderloin, Fiske fries, an Italian sausage sandwich, Martin's strawberry lemonade, walking through the midway, spending \$5 to get a handful of rings to toss on the brand new shiny multi-colored canes, walking through the hot and steamy coliseum to sign up for a drawing, looking for my new fall mum in the downstairs area surrounded by all of the beautiful exhibits, listening to the bands play at the gazebo, rushing to buy my tickets after work to watch the harness races with my family, taking my grandson in his stroller through the crowds, exploring through the brand new campers. So far 2020 has been the year to slow down and spend time with those that matter. Take a look at everything around us and decide what is most important.

HUGE thank you to: Dave George, Mike George, Dan Fox, Tommy Thompson, Tim Wiedner, Adam Wicker, Troy Stewart, Darren Anderson and Mark McCown for volunteering their time to clean out the drain for Cucumber to Ess Lake. Currently council is working on a plan for a permanent fix.

Alert!! Alert!! Income survey letters are currently showing up in your mailbox!! Please mark the number of people in your current household and mark the box that indicates your current income. The results could possibly help our Village with grant opportunities for the next 5 years. This would include drain projects for lakes, roofing for the community building, roads being completely redone.

Brice with Access Engineering and the Wayne Lakes Sewer committee continue work on the upcoming project. A projected date has been set to visit Christiansburg to view their current sewer system (5 years into their new system) and ask questions and gain knowledge that we can use going forward. Door hangers will be put on resident doors the end of this month. They will be reviewing electric meters and tank sites on each property.

Friendly reminder!!! Trash containers provided by the Darke County Park district grant are to be used for the public use while fishing in our lakes. These containers are **NOT** for personal trash dumping! Please dispose of fish scraps and bait in zip lock bags prior to putting in our trash containers.

(Continued on page 2)

(Continued from page. **Mayor**)

Next council meeting Monday, Sept. 14, 7:00pm in the council meeting room. Due to Covid 19 restrictions, we will plan to have an open meeting at the Village office. We are limited to seating capacity. The number of attendees will be monitored for this meeting to comply with restrictions. Please notify me prior to the next meeting with any special requests to speak.

In closing, for Covid-19 updates and prevention tips please refer to the website

<https://www.cdc.gov/coronavirus>.

Respectfully Submitted,
Linda Clark Acting Mayor, President of Council

Darke County Solid Waste Management District CAP & LID COLLECTION HAS BEEN TEMPORARILY DISCONTINUED!!!

Due to the fire at Green Tree Plastics, they will discontinue taking caps until they find another alternative or until Green Tree can accept caps again. Please do not drop caps off on West Drive until further notice. Thank you, Karen
