FROM THE DESK OF THE ACTING MAYOR

[X]Ohio House Bill 168. \$250 million to establish a Water and Sewer Quality Program to provide grants to Ohio's counties, townships, and municipal governments to strategically address serious water issues that have been building in Ohio for decades and ensure communities have clean and safe water. The Ohio Department of Development will administer this priority initiative. The Village will keep you informed about the results of our application request for funds.

[X] The Corona Virus State and Local Fiscal Recovery Funds Will Deliver \$350 Billion for State, Local, Territorial, and Tribal Governments to Respond to the COVID-19 Emergency and Bring Back Jobs. The Village will keep you informed about the results of our application request for funds.

Brice with Access Engineering and the Wayne Lakes Sewer committee continue to work on the upcoming project. Village council plans to have Brice attend our monthly council meetings every other month going forward. Residents are encouraged to attend, watch the live stream or send in questions prior to the meeting for review.

Leaf Dumpster will be ordered for the beginning of September. Please remember **LEAVES ONLY**. It will be located in the same spot as last year, near the swimming beach parking lot.

Pot holes are currently being reviewed for repair. Council has requested Darke County to quote Dura patch for existing problem areas in the park.

Dead trees are currently being reviewed. Letters to their owners will be sent soon. In addition to the dead trees, please trim all trees on property near the roadways and intersections/signs.

Chipping has started. Please have branch piles that are easy to handle and close to the road. If you want to have volunteers ready to assist, that would be a great help.

Daily Fishing Passes can be easily purchased at the village office, Brewer's Gatehouse, on our Village of Wayne Lakes.com website and our The Village of Wayne Lakes Facebook page. Please share with your friends!! The village has collected \$14494.00 so far this year!! If funds are available, stocking the lakes will be on our agenda for the fall time frame.

Please STOP dumping branches, yard waste and trash at the Chippewa property. Council approved \$2500 for Darke County to begin the cleanup of this property. Clean up is scheduled for October.

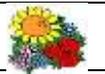

Next council meeting Monday, September 13, 2021 7:00pm in the council meeting room.

In closing, for Covid-19 updates and prevention tips please refer to the website <https://www.cdc.gov/coronavirus>.

Respectfully Submitted,

Linda Clark Acting Mayor, President of Council mayorwaynelakes@gmail.com
