FROM THE OFFICE OF THE MAYOR

.... the best time of year is on its way. The air is crisp towards sunset and a slight breeze is blowing through our trees. I want to find my favorite jeans and sweatshirt and just enjoy this place we call home. The Great Darke County Fair will be in full gear soon. Fair food, horse races, band concerts, rides with my grandkids, working hard to win my grandkids a stuffed animal at one of the game tents, enjoying time spent with my family. Have a terrific August!

Brice with Access Engineering and the Wayne Lakes Sewer committee continue to work on the upcoming project. Approximately 60% of homeowners have been approached regarding the sewer work agreement. Bidding for the project has been posted. Watch for upcoming office hours throughout the week. Outdoor signs will be staged during open times for sewer agreement needs for our residents. A notary will be present with no charge involved at time of signing. Yes, the village is paying Access Engineering for all of their work provided. We are all paying for the notary in the long run.

Rumpke has contacted the village due to problems with low hanging branches on trees near our roadways. A meeting has been scheduled to determine which trees are most problematic and who owns the trees involved. Residents are responsible for keeping their trees and bushes cleared from all roadways. This practice will ensure that your service is not disrupted.

Poplar lane has been approved to have necessary improvements by Wagner Paving. They will be contacted to review quote, current prices, and time frame for the work to be completed.

A gravel parking area has been approved to be completed near the Lake Chipewa area. Quotes are being reviewed for current costs and time frame for the work to be completed.

Daily Fishing Passes are easily purchased at the village office, on our village web page www.villageofwaynelakes.com and our Facebook page The Village of Wayne Lakes. The village has collected \$12850.00 YTD from office and online sales. New office hours include Tuesdays 9:00 am to 11:00 am, Wednesday afternoons 4:00 pm to 6:00 pm and Thursday mornings 9:00 a.m. to 11:00 a.m.

The Beach.... it's the last weekend for lake swimming fun. Food truck Blowin' Smoke BBQ will be parked at the lot for two days Saturday, August 13th and Sunday, August 14th. Come join the fun! Wayne Lakes attendees have paid \$3104.00 YTD.

Beach Yoga has the last class this week. There are currently discussions about having a new class for the Fall time frame. More info to come..... If you are interested in getting more information contact Joy Roseberry at joysjun-que@gmail.com or message her on Facebook.

Next council meeting Monday, September 12, 2022 7:00 p.m. in the council meeting room.

Respectfully Submitted,
