Carryout, Pizza, Bait Shop  
Fishing Passes

**NO FEEDING OF WATERFOWL  
NO SWIMMING IN or ICE SKATING  
ON ANY OF THE LAKES**

## From the Desk of the Acting Mayor

**Extra! Extra! Read All About It!!** Our village council got the good news about the results of our recent income survey which was completed at the end of 2020. Can't say that much good came from last year, but this result was good. We qualified for the CDBG Grant! This grant gives the village 5 years to qualify for assistance for qualified improvements. Council will be reviewing our current needs and finding out which projects these funds can be used to support. Tax dollars saved.

Brice with Access Engineering and the Wayne Lakes Sewer committee continue work on the upcoming project. Village council plans to have Brice attend our monthly meetings every other month going forward. Residents are encouraged to either attend or send in any questions to be discussed. The start of sewer billing begins in March of this year. Bills will be coming from Darke County to be sent to all homeowners in our village. The beginning rate is currently set at \$15 per month, with the bill mode coming quarterly, \$45 per quarter.

Darke County will be trimming trees. Be aware that there will be people on the roadways trimming and removing dead trees. Of course, this is weather permitting. Please have an extra set of eyes on the road and SLOW down while driving. We want workers to have safe conditions to complete the work.

Next council meeting Monday, March 8, 7:00pm in the council meeting room. Due to Covid 19 restrictions, the meeting is livestreamed on our village Facebook page. Residents can call in or email council members for any questions or concerns.

In closing, for Covid-19 updates and prevention tips please refer to the website <https://www.cdc.gov/coronavirus> .

Respectfully Submitted,

Linda Clark  
Acting Mayor, President of Council
