NO SWIMMING IN or ICE SKATING
ON ANY OF THE LAKES**

From the Desk of the Acting Mayor

Welcome 2021. I recently read an article on New Year's resolutions. Of course, it refers to the fact that most people aren't successful at them. But, it says, "Don't throw in the towel quite yet." With the pandemic still ongoing, we have time for self-reflection. Think of how you can help. There's a lot of distress out there. If we can set goals that aim to help others, those kinds of goals will, in turn also add to our own well-being. Good stuff. Article from Futurity.org.

Please welcome our newest council member. Diana Pethtel graciously accepted the invitation to fill the open council seat for the 2021 term.

No new sewer project updates. We will reapply for the EPA funding this coming summer in 2021. This is the majority of our project funding. We should expect a decision by October of 2021. If approved, we should expect bids in 2022 and potential construction in 2023.

Darke County will be trimming trees. Be aware that there will be people on the roadways trimming and removing dead trees. Please have an extra set of eyes on the road and please **slow down** while driving through our park during this time. We want the workers to have safe conditions to complete the tasks at hand.

We are currently looking for volunteers for a Village Tree Commission. Three residents are needed. The term of office will be for 3 years. Members will serve without compensation. Please reach out to a member of council, email or call the village office 937-459-4111.

Fort Jefferson United Methodist Church has started a new youth group ages 14 years and up. The meeting time is Wednesday evenings at 6:30pm. New discussion topics each week, snacks and beverages provided. If you know a village youth that may need a new activity for 2021, please pass on this invitation.

Next council meeting Monday, February 8, 2021 at 7:00pm in the council meeting room. Due to Covid 19 restrictions, we will plan to have an open meeting at the Village office. We are limited to seating capacity. The number of attendees will be monitored for this meeting to comply with restrictions. Please notify me prior to the next meeting with any special requests to speak.

In closing, for Covid-19 updates and prevention tips please refer to the website <https://www.cdc.gov/coronavirus> .

Respectfully Submitted,

Linda Clark

Acting Mayor, President of Council
