FROM THE OFFICE OF THE MAYOR

I feel so fortunate to live in such a beautiful place. I work all day at a job, and then come home to this place. Wow! How lucky I am. Hope your month of July is a good one.

Brice with Access Engineering and the Wayne Lakes Sewer committee continue to work on the upcoming project. Door to door stops will be made this month by Hans an employee of Access Engineering. This is in an effort to discuss tank placement with each home owner. Brice will be at our next council meeting to answer questions. Letters will be sent out soon regarding the work agreements needed from all resident home owners. Bidding on the project starts early August 2022.

Resolution 2022-07-11-001 has been passed regarding Noxious Weeds in the village. Letters will go out to homes that need mowed and trimmed.

Darke County Humane Society has sent information regarding TNR program. This is an effort to control the feral cat population in the village. Council is reviewing the cost.

Poplar Lane quote has been received and discussed with members of council. Review is under way to determine the impact from placement of new sewer tanks/line drilling during construction. The cost to fix is currently \$24,990.00.

Lake Chippewa quote is being reviewed for budget comparison. This would create parking for vehicles bringing boats for that dock area.

Daily Fishing Passes can be easily purchased at the village office, or on our Village of Wayne Lakes.com website and our The Village of Wayne Lakes facebook page. Please share with your friends!! The village has collected \$9767.00 for the year 2022. Volunteers will be in our village office Tuesdays & Thursdays from 9:00 am to 11am and Wednesday afternoons from 4 to 6 pm.
