Cicadas Brood X black-billed cuckoos are voracious cicada predators and take full advantage of emergences such as Brood X. Cuckoos are fascinating and poorly understood birds. Two species occur in Ohio: black-billed and yellow-billed. Although they look like songbirds, cuckoos do not belong to the order. Naturalists described "flocks" of cuckoos descended on insect emergences in the late 1800's. Brood X zones will provide food aplenty, and hopefully scores of little cuckoos will result. Story provided by Jim McCormack the Columbus Dispatch.

Brice with Access Engineering and the Wayne Lakes Sewer committee continue to work on the upcoming project. Village council plans to have Brice attend our monthly council meetings every other month going forward. Residents are encouraged to attend, watch the live stream, or send in questions prior to the meeting for review. Quarterly billing has started due end of May.

Wayne Lakes garage sales coming soon. Date to be determined!

Chipping has started. Please have branch piles that are easy to handle and close to the road. If you want to have volunteers ready to assist, that would be a great help.

Daily Fishing Passes can be easily purchased at the village office, Brewer's Gatehouse, on our Village of Wayne Lakes.com website and our The Village of Wayne Lakes Facebook page. Please share with your friends!! The village has collected \$11,664 so far this year!!

Council did a second reading of our new Junk Vehicle Ordinance. The solicitor for our village recommended a new version to keep current with neighboring villages. We are currently making revisions. One revision is to allow residents 30 days to make arrangements for a junk vehicle.

Please STOP dumping branches, yard waste and trash at the Chippewa property. Council approved \$2500 for Darke County to begin the cleanup of this property. Clean up is scheduled for October.

Two applications have been submitted for grants. One application has been denied. We were given reasons that our project was not large enough for the infrastructure grant, also not enough households were affected by the drain pipe project to qualify. We were told funds should be coming soon for the American Rescue Plan Act. We will review guidelines provided and proceed accordingly. Project will begin this year.

Next council meeting Monday, July 12, 2021, 7:00pm in the council meeting room. Due to Covid 19 restrictions, we will plan to have an open meeting at the Village office.

In closing, for Covid-19 updates and prevention tips please refer to the website <https://www.cdc.gov/coronavirus>.

Respectfully Submitted,

Linda Clark Acting Mayor, President of Council mayorwaynelakes@gmail.com

HEY KIDS! COME JOIN US FOR A VACATION BIBLE SCHOOL ADVENTURE!

Your neighbor, Fort Jefferson United Methodist Church, is going on a journey and we'd like **you** to come along to **ADVENTURE ISLAND**. We set sail **Sunday, August 1st thru Thursday, August 5th, 6:00 p.m.** For a couple hours each evening explorers will experience games, crafts, snacks, and stories from the bible. We take explorers from **4 years old through 6th grade**. They will discover God at work in their lives and experience love of Jesus.

To pre-register, any questions please call our Skipper Diana Spittler at 937-447-2983, or the church office 937-548-4410.
