10 Ways to celebrate Mom.....*This past year's been a challenge. Many of us are rethinking how to give extra recognition to moms. Some of us are apart from our mom's when we are normally together.*

1. Offer yard work and gardening services
2. Decorate your mom's door or give flowers
3. Cook for Mom or set up a virtual lunch date
4. Give your mom a long phone call
5. Watch a movie or a show together
6. Get creative and make mom a video, music playlist, or piece of art
7. Go outside for a stroll in the park
8. Make a homemade gift
9. Travel virtually to a museum or garden
10. Make your own card. *Story from The Old Farmer's Almanac.*

Brice with Access Engineering and the Wayne Lakes Sewer committee continue to work on the upcoming project. Village council plans to have Brice attend our monthly council meetings every other month going forward. Residents are encouraged to attend, watch the live stream, or send in questions prior to the meeting for review. Quarterly billing starts this second quarter for all homeowners in our village. Bills will be coming from Darke County. The rate will be \$45/quarter. FAQ sheets will be sent out to village residents soon.

Chipping will begin soon. We are aiming for the week of May 25th. Please have branch piles in piles that are easy to handle. If you want to have volunteers ready to assist, that would be a great help.

Daily Fishing Passes can be easily purchased at the village office, Brewer's Gatehouse, on our villageofwaynelakes.com website and our The Village of Wayne Lakes Facebook page. Please share with your friends!! The village has collected \$8,037 so far this year!!

Council did a first reading of our new Junk Vehicle Ordinance. The solicitor for our village recommended a new version to keep current with neighboring villages. We are currently making revisions. One revision is to allow residents 30 days to make arrangements for a junk vehicle.

Please STOP from dumping branches, yard waste and trash at the Chipewa property. Council approved \$2500 for Darke County to begin the cleanup of this property.

Two applications have been submitted for grants. CDBG grant application for Cucumber drainpipe project, with a 10% match needed. Community Development grant for Darke County Parks to purchase the Hooked-on Fishing area near Iroquois lake, with a 50% match needed. (cont'd on page 2)

(cont'd from page 1) Next council meeting Monday, June 14, 2021 7:00pm in the council meeting room. Due to Covid 19 restrictions, we will plan to have an open meeting at the Village office. We are limited to seating capacity. The number of attendees will be monitored for this meeting to comply with restrictions. Please notify me prior to the next meeting with any special requests to speak.

In closing, for Covid-19 updates and prevention tips please refer to the website <https://www.cdc.gov/coronavirus>.

Respectfully Submitted, Linda Clark Acting Mayor, President of Council mayorwaynelakes@gmail.com
