Thank you to all of the residents that made the Trick or Treat event a success this year. I rode the hay wagon with my grandsons and daughter. It was unfortunate that the weather didn't completely agree with our plans, but it was nice for most of the day. The kids, parents and grandparents had so much fun spending quality time together. It was great watching kids being kids. No phones, just play. Thank you to Eikenberrys, Countryside Bicycles, Jack's Cabin and Dairy King for your contributions to the event.

Brice with Access Engineering and the Wayne Lakes Sewer committee continue to work on the upcoming project. Construction is projected to begin in Spring of 2023. More information to come.
