## **FROM THE DESK OF MAYOR ELLEN BROWN**

Hello Wayne Lakes

We are having some wonderful things happening in the Village. F.O.W.L (Friends of Wayne Lakes) has miraculously transformed the Village Garage/ Office into a clean, tended, well cared for building. The moss is gone from the walls. The pine trees have been trimmed. Everything has been swept, sprayed and raked until it looks really nice. This was done with five hours of hard work by a hand full of people. Al Hayes is doing an incredible job of organizing and cleaning the inside of the garage. It has been a monumental task. It is really shaping up. We are all trying to help the Village look its best for the upcoming fundraiser 5K Race.

This race is sponsored by the nonprofit Wayne Lakes 5K Run Gina and Cliff Harmon began to benefit our parks. F.O.W.L is graciously helping with sprucing things up. There is another Work Day on the 26th of August to clean Lakeview Park on North Drive and to spruce up all Village property along the race route on North and Evergreen. Please come and help. Many hands make the workload much more doable. **WE NEED YOUR SUPPORT!**

The race is Saturday, September 8, 2018 at the McNutt Shelter on Main and East. The young people race/walk at 8:30 a.m. and adult race/ walk at 9:00 a.m. F.O.W.L. will be serving breakfast as a fundraiser and there will be a donut and coffee chuck wagon.

Games for the young people, corn hole and horseshoes will all take place while others are running. Please come and support your Village. Together, we are building a better Wayne Lakes.

Just a reminder there will be road closures and reroutes for several hours on that Saturday from 8:15 a.m. until the last runner is back at the McNutt Shelter (approx 11:15) Your patience is appreciated. This is a transfer station day so plan accordingly. They will be opening a little early for us (hopefully by 7:30 a.m.). We will be removing barricades asap after the last runner passes each closed road.

Many VOLUNTEERS are needed. Even if you are not so active now, volunteer to be stationed at the barricades. You can have a front row seat for the race and help the project at the same time by monitoring the barricades and passing out water and encouragement. Anyone who did not received a list of roads to be closed and the route of the race can contact me 459-5644. I will see you get one. There is also one at each bulletin board.

This will be a big weekend for Wayne Lakes. (cont'd on page 2)
