From the Desk of the Acting Mayor

FUN FACTS about September!! The first month of the autumn or fall season. Constitution week takes place during the month of September. American college and professional football begins this month. I don't know about you, but it's comforting seeing my Cincinnati Bengals on my television on Sunday afternoon. The pandemic has reared its ugly head, cancelling most of my beloved community events, sporting events and personal plans for this year. Today on the radio I hear that colleges are now considering starting their programs in October. I know all the devoted Ohio State fans out there have got to be ecstatic!! O-H-I-O time to get your nachos and preferred beverages ready for family time in front of your television. The lines for the restrooms were too long anyway.

Appreciations!! I am so thankful for the work, support, and dedication from two outstanding women that will be leaving council. Many thanks to Joan Falknor for her years of service to the village and her dedication to our previous Mayor Gary Young. Next, many thanks to Carolyn Robinson. She was brought in during a time when our village needed her expertise the most. Personally, I say "Thank You" for helping me learn the ropes and also with any future advice you may provide.

Alert!! Alert!! Income survey letters are currently showing up in your mailbox!! Please mark the number of people in your current household and mark the box that indicates your current income. The results could possibly help our Village with grant opportunities for the next 5 years. This would include drain projects for lakes, roofing for the community building, roads being completely redone.

Friendly reminder!!! Camping is not permitted on village property. Dumping is not permitted in village lakes. If residents or visitors need any information or guidance, please have them contact their council representative or village office.

Next council meeting Monday, October. 12, 7:00pm in the council meeting room. Due to Covid 19 restrictions, we will plan to have an open meeting at the Village office. We are limited to seating capacity. The number of attendees will be monitored for this meeting to comply with restrictions. Please notify me prior to the next meeting with any special requests to speak.

In closing, for Covid-19 updates and prevention tips please refer to the website <https://www.cdc.gov/coronavirus>.

Respectfully Submitted,
Linda Clark
