I love circles.

Big ones  
and  
small ones!

Like  
when  
I blow  
bubbles.

Like when we  
play marbles!

Pink ones  
and green  
ones!

Like when I hug  
my friend.  
That's a great circle!

Like scoops  
of ice cream  
on a cone.

Like the sun!

Let's count circles.

Let's count  
circles!

Like when  
the world is  
full of love!

I'm thankful  
for circles.
