18TH
ANNUAL

THE WESTERN FOOD SAFETY CONFERENCE

presented by HARTNELL COLLEGE

*FOOD SAFETY:
STATE OF THE INDUSTRY*

SAVE THE DATE MAY 3-4, 2023
SHERWOOD HALL, SALINAS

The Western Food Safety Conference is an annual two-day conference designed especially for you—our food safety industry leaders!

The conference will provide you with current produce safety information, research and regulatory developments to the fresh produce industry that you can apply to today's environment. Join us and industry leading scientists, executives, and professionals for the latest science-based industry information and networking opportunities.

Topics for the 2023 conference include:

- Rethinking Recalls and Communication in the Supply Chain
- Technology Advancements for Enhanced Traceability
- Ag Water Regulation Update
- Case Study - Equipment Design and Learnings
- Regulatory Inspections - Shared Learnings & Experiences of Regulatory Inspections
- On Farm Investigative & Research Highlights for Practical and Simple GAP Solutions
- Achieving an Effective Sanitation Program with Field Equipment
- Soil Amendments: Ensuring a Safe Supply from Manufacturers to Field
