****IMPORTANT:** The test takes about 15 minutes. You will need a quiet room to take the test. Do not ask for help from anyone. This test is just to determine your English level and assign you to a class that corresponds to your level. It is not possible to change classes after you join the program so make sure that your test results reflect your true English level.*

Step 2: Download Signal Application on the device you plan to use for the program and create a Signal account using your First and Last name.
