9 AM - 3 PM

**Schwab/Burford Acquisition
4045 - 245th Street
Solon, IA 52333**

HAWKEYE CWMA INVASIVE SPECIES FIELD DAY

This workshop will cover a variety of invasive species issues in prairies, wetlands and woodland environments. There will also be sessions on identification and control methods.

The workshop will have several outdoor sessions. Participants are encouraged to wear attire appropriate for field conditions and for hiking on uneven ground conditions.

FREE WORKSHOP

Registration requested

Lunches will be provided for all registered attendees.

TO REGISTER: email Brad Freidhof at bfreidhof@co.johnson.ia.us

Provide your name, phone number and number of attendees in the email.

Please call Brad at **(319) 645-2315** with questions and/or special meal or other accommodations.
