IWCA Display and advertisement

Executive Committee members will purchase a TV for our table at UMISC and future events to show a video on Roadside Vegetation Management. Brian B has a PowerPoint that has a lot of the material already and will work on completing it prior to the next meeting.

Talk of printing more of the pdf's from the Hawkeye CWMA can be done through a grant as long as the LRTF logo is on them. We also talked about updating some of the pdf's since new products have become available.

Meeting Adjourned 11:30am

Minutes by Brian Burkholder.
