

Stained Glass Experience

Special – 2 night accommodation

Stay with us and discover our beautiful harbour and the Baccalieu Coastal Drive! Enjoy our 4-star bed & breakfast and Stained Glass Experience during your 2 night vacation package.

Tantalize your tastebuds with Karen's signature breakfast before starting our one-of-a-kind workshop. This introduction to the "copper foil" method of stained glass allows you to create a "suncatcher" as a keepsake. With 45 years of experience, Michael guides you through a fun and relaxing stained glass workshop.

Go for full out fun and/or relax on our harbour front decks or hang around our Mermaid Landing stage!
