

Whether you realize it or not, you are part of the local history and part of this community. The Goshen Township Historical Society does more than simply preserve our local past. We help to create a sense of community and encourage the recognition of our citizens. We do this through publications, hosting events, and working with the schools. We do these things with volunteers and donations. Whenever you visit the Anchorage museum, or an event at the Cook Log Cabin, know that these places have utility bills and maintenance costs, just as any household does. We have been making ends meet since 1984, and were sustained by the generosity of the late Kathryn Marr for a long time, but as we look to the future, we know we need to raise funds in various and creative ways, and we need to appeal to the generosity of you, our fellow Goshenites. If you agree that what we do is important to Goshen, please consider volunteering your time, offering your services, or donating, however small.

Thank you for any help. Regardless, please feel welcome to visit us at [goshenhistory.org](http://goshenhistory.org) or on Facebook.
