

I expressly agree to **indemnify and hold Michele Freeman / Hoof to Heart harmless** against any and all claims, demands, damages, rights of action, or causes of action, of any person or entity, that may arise from injuries or damages sustained by me.

This Massachusetts law provides that an equine activity sponsor, and equine professional, or any other person shall NOT be liable for an injury to or the death of a participant resulting from the inherent risks of equine activities and no participant nor participant's representative shall maintain an action against the equine activity sponsor. The statute sets out several definitions related to equine activities, but specifically notes that the term "engage in an equine activity" shall not include being a spectator at an equine activity or event. Except in cases where the spectator places themselves in an unauthorized area or in immediate proximity to the equine activity. Liability is NOT limited by this statute where the equine professional knowingly provided faulty tack or equipment, failed to make reasonable and prudent efforts to determine the ability of the participant to engage safely in the equine activity, owns or otherwise is in lawful possession of the land or facilities upon which the participant sustained injuries because of known, dangerous latent conditions, or if they commit an act of omission that constitutes willful or wanton disregard for the safety of the participant or intentionally injures the participant. The statute also requires visible displaying of warning signs that alert participants to the limitation of liability by law.

UNDER MASSACHUSETTS LAW, AN EQUINE PROFESSIONAL IS NOT LIABLE FOR THE INJURY TO, OR THE DEATH OF, A PARTICIPANT IN EQUINE ACTIVITIES RESULTING FROM THE INHERENT RISKS OF EQUINE ACTIVITIES, PURSUANT TO section 2D of chapter 128 of General Laws.
