

Dear Friend and Supporter,

The Kelsie Karpiak Memorial Scholarship Foundation is proud to present our **Annual Dinner-Dance Showcase 4 Scholarships**, an evening to celebrate talented young dancers while raising funds for the Kelsie Karpiak Memorial Scholarship.

Kelsie Karpiak was 24 years old when she tragically lost her life in a boating accident on Biscayne Bay on July 4, 2014. Dance was an important part of Kelsie's life, and she believed deeply in encouraging young dancers to pursue their dreams. In 2018, the Kelsie Karpiak Memorial Scholarship Foundation was established to carry that dream forward by helping deserving Miami-Dade County high school seniors pursue their postsecondary education.

Because of the generosity of supporters like you, **we awarded more than \$46,000 in scholarships to local high school seniors**. Each scholarship allows us to make a difference in the lives of young people in our community.

We invite you to support our **Showcase 4 Scholarships** through an **in-kind donation**. We are especially seeking:

- **Silent auction items:** gift cards, gift baskets, artwork, collectibles, experiences, merchandise, and services
- **Event décor:** flowers, centerpieces, and other decorative items
- **Other goods or services**

Your contribution is **an investment in the dreams and futures of young people in our community**. Every item or service donated helps us direct more of the funds raised toward scholarships for deserving students.

We are deeply grateful for your consideration and for the opportunity to share Kelsie's story and legacy with you. **Together, we can help the next generation take steps toward achieving their dreams.**
