

# **Tolland Eagle Scramble Golf Tournament September 21, 2025**

**New for 2025 - Hole in One Contest!**

## **Hosted by Tolland High School Booster Club & Tolland Project Graduation**

The Tolland High School Booster Club is a dedicated partnership of parents, school administrators, teachers, coaches, and community members committed to enhancing the student experience. Our mission is to support and promote academic and athletic programs at Tolland High School by organizing events and raising funds that directly benefit our students. Through collaboration and community engagement, the Booster Club unifies the efforts of individuals, organizations, and institutions that share a common goal: strengthening the school's co-curricular and academic initiatives.

Since 1988, THS Project Graduation has been a proud tradition at Tolland High School. Founded by a dedicated group of volunteer parents, the event offers an all-night, drug- and alcohol-free celebration for graduating seniors. This cherished milestone provides a safe, fun, and memorable way for the entire senior class to come together one last time before beginning the next chapter of their lives. Each year, more than 93% of the graduating class attends, enjoying a night filled with food, music, games, activities, and prizes—all chaperoned by caring volunteers. It's a night to celebrate, to laugh, and to create lasting memories.
