

Eagle Scramble Tournament

Sunday, September 29, 2024

Blackledge Country Club

10:30am Registration – 12:00pm Shotgun Start

Hosted by Tolland High School:

Booster Club

&

Project Graduation

Tolland High School Booster Club is a partnership of parents, school administrators, teachers, coaches, and other interested parties that come together to host events and raise money for the benefit of the students. The Booster Club promotes and supports programs in academics and athletics at Tolland High School to unify the efforts of individuals, organizations and institutions working in the interests of the school's co-curricular and academic programs.

Since 1988, a group of volunteer parents has organized an all-night drug and alcohol-free celebration for Tolland's graduating seniors. Normally, over 93% of each senior class has attended this event. This gathering allows the entire senior class to enjoy each other's company for one last time before moving on to the next phase in their lives. The party is chaperoned for the entire evening, and provides the graduates with food, music, activities, and prizes.

NEW TIME & LOCATION FOR 2024!
