TOURNAMENT SPONSOR

PROJECT GRADUATION

Since 1988, a group of volunteer parents has organized an all-night drug and alcohol-free celebration for Tolland's graduating seniors. Normally, over 93% of each senior class has attended this event. This gathering allows the entire senior class to enjoy each other's company for one last time before moving on to the next phase in their lives. The party is held at a local health club, is chaperoned for the entire evening, and provides the graduates with food, music, activities, and prizes.

THS BOOSTER CLUB

Tolland High School Booster Club activities are a joint endeavor among parents, school administration, Booster Club members, teachers, coaches, and any other interested parties for the benefit of the students. The Booster Club promotes and supports programs in academics and athletics at Tolland High School to unify the efforts of individuals, organizations and institutions working in the interests of the school's co-curricular and academic programs.
