To: President Frank Hepburn
Young Men's Institute

We thank you for the \$500.00 donation to our lodge. As a not for profit (501c8) lodge, we are very thankful of donations made to us. This past year has been hard on everyone due to the pandemic and bills are high. This kind gesture from your organization will be used wisely to fund some of our expenditures.

Thank You again from a very appreciative organization.

Fraternally,

Charlie Bell
