Dear Frank,

Your gift to Nativity's Fiesta at Home Celebration enables our school to remain open and operate even during a pandemic. Your gift affirms the hard work of our teachers who put their students' needs above their own. Your gift enables our students to hold on to that one piece of normalcy which is the comfort and routine of going to school in a place that so many consider a second home.

Despite all that's happening in the world,

- 100% of Nativity students remain engaged and learning during the pandemic
- 100% of Nativity teachers are on campus providing instruction to students in class and at home
- 60% of Nativity students are attending school in person daily with the rest of the class tuning in from home

Our students rise from hardship and have tremendous hope. They know that Nativity provides a life-changing educational experience not just for them, but for their families.

Thank you for providing this opportunity to our students to *break the cycle of poverty through education*.

We hope you will join us at 6pm on Friday May 7th for the Fiesta at Home event! The live streamed celebration will include Mission Moments, Alumni Spotlights, Live Guests, a Live Auction and More! If you haven't already, please register at <https://fiestaathome.givesmart.com>.

Many Thanks,
