

WHO'S BETTER?

THE BANK

OR

THE BROKER

The broker works for you. The bank doesn't.

The right mortgage is a critical factor determining long-term savings. The value of a professional mortgage broker comes from having someone who objectively works for you and is not limited to mortgage product offerings from one source; like a bank.

Advice on choosing the right mortgage option considers interest rate, payment privileges, payment penalties, long term savings and much more.
